

3 September 1952

The Honorable Charles A. Coolidge  
The Assistant Secretary of Defense  
Department of Defense  
Washington 25, D. C.

Dear Mr. Coolidge:

The Director has requested acknowledgment of receipt of your letter of 27 August 1952 with its enclosures of Subtitles B and D of the Proposed Codification of Laws Relating to the Armed Forces, and to express his thanks for your thoughtfulness in sending them to us for comment.

After reviewing the Subtitles which you have sent us, insofar as they may affect CIA, we will forward any comments or recommendations which we may have. We will also look forward to receiving Subtitles A and C as A will doubtless be of particular interest to CIA.

Sincerely yours,

Walter L. Pforsheimer  
Legislative Counsel
